PRODUCTION EXPERIENCE

Production Designer — Invidia

SCAD Student Production | May 8–9, 2026

- Led visual design and prepared filming environments for the student production.
- Coordinated set dressing, props, and art-department needs while maintaining visual continuity.

Production Designer — Callback and Forth

SCAD Student Production | Feb 2026

- Designed and coordinated visual elements, set preparation, prop placement, and production logistics.

Production Designer — Take It Easy (Documentary)

SCAD Student Production | Feb 2026

- Conducted location research and coordinated environmental elements and filming-space preparation.

Production Designer — On the Rocks

SCAD Student Production | Oct 2025

- Oversaw set preparation and asset coordination while collaborating across departments.

Assistant Director — What a Beautiful Day for a Garden Party

SCAD Production | May 2025

- Supported scheduling, shoot-day coordination, and communication between production departments.

Script Supervisor

SCAD Productions | 2024–2025

- Maintained continuity notes and production documentation for directors and editors.

RELEVANT WORK EXPERIENCE

Teaching Assistant / Props/Costume Assistant

The Performance Project at Broward Center for the Performing Arts | Summer 2026

- Assisted instructors and students during rehearsals and performances for Shrek Jr., Alice Jr., and School of Rock.
- Created, organized, and maintained props and costume pieces; supported backstage, scene-transition, and stage-management needs.
- Completed 152 hours of hands-on theatre production experience.

Disney College Program — Quick Service Food & Beverage / Outdoor Vending

Walt Disney World | Orlando, FL | 2024

- Completed the Disney College Program while working in a high-volume themed entertainment environment.
- Collaborated with a large operational team to maintain Disney guest-service, safety, and presentation standards.
- Adapted quickly to changing locations, guest needs, and daily operations while maintaining efficiency in a fast-paced environment.
